It's no secret that we love European girls. The French are sexual revolutionaries. The Brits are secret freaks. The Italians are sensuous. But what are Estonian girls? Well, if the rest of them are anything like Chloe, they're submissives who will do anything to please their partners. "I'm dating an older man who likes when I dress up like an innocent schoolgirl," Chloe shared with us.

"I'm studying hotel management in school right now," Chloe told us in heavily accented English. "So I have to learn at least three languages. English is the hardest to master, but it's easy to go on YouTube and watch American and British comedies to pick up slang words. The guy I'm dating is a professor at my school, and he helps me practice my languages. I dress up in my schoolgirl outfit and act as if he's my teacher. If I get a question wrong, he spanks me! We end every session with me pushed up against a bookshelf with his cock in my pussy and him whispering in my ear that I'm a very naughty girl. I love how powerful and rough he gets when he's taking me from behind like that."

Sex ISLAND

Good Girls Company operates out of Colombia, a country where prostitution is completely legal, and they've been making waves in the past few years with their "holiday sex resorts." Just a few months ago, they one-upped themselves by offering a one-time adventure package called Sex Island. Sixty working girls and 30 VIP guests celebrated for three nights and four days on a private island 30 minutes from the Caribbean. The company listed their included amenities as two girls per day, unlimited sex, meals, snacks, alcohol, airport pickup and drop off, luxury yacht parties, bedroom equipped with shower, closet, air conditioning, Wi-Fi, volleyball court and jet skis. For the price of USD 5,000, each guest received one ticket that included the company of 2 girls each day for unlimited amounts of sex. At any moment the guys could switch girls with the other 30 guests. Sex Island laid out a precise itinerary for their VIPs. The first day included a wild sex session, the second day offered each guy 30 minutes with 16 prostitutes at the same time, and the third and fourth days featured nonstop partying on a luxury yacht. That sounds like the best way to blow $5,000 we've ever heard.

IS LUBE SAFE?

We've always said that lube is man's best friend in the bedroom. It eases women up and lets you get to your pornstar stroke faster. But could too much lube be dangerous to your health? Recent studies suggest that frequent lube use can damage your skin cells and could potentially increase your risk of getting sexually transmitted infections. So what are you to do? Wet, wild & dangerous?

Vanessa

Watford, England

Photographer
Age: 24
Born: February 8
Ht: 5'5"
Wt: 114 pounds
Bras: 32D
Panties: Lingerie
Anal: Licking and fingering
BJs: Swallow
Masturbate: Frequently

Unfortunately, these will be the last photos you'll get to see of Vanessa. The striking blonde who graced our books twice (SP325 and NN0118) got a boyfriend who doesn't want her spreading pussy in a porno mag. What a downer! We'll miss her perfect body.

We first got photos of Vanessa from a photographer friend who lives in England. After we put her in our mags, she reached out and let us know she had this set. We had to pay double for the shots, but we think that it was worth it.

We're Helping Her Out.
"Seeing my pictures in print has been the thrill of my lifetime! Picturing thousands of men jerking off and spunking on my photos has given me masturbation material to last for decades."

Shae

Minneapolis, Minnesota

Movie ticket taker
Age: 19
Born: September 22
Ht: 5'4"
Wt: 106 pounds

Bras: 32B
Panties: Lace or cut-out designs
Anal: Just licking and fingering
BJs: Swallow for protein
Masturbate: Hell yes!

We asked Shae to describe her wildest, kinkiest sexual encounter. "One time, I almost organized an orgy at a house party, but only four people agreed to join in! The four of us went back to my dorm room and went to town on each other. We even brought out some of my bondage stuff to play with! It was an incredible night, and everybody came at least twice, even the guys. I've had a few threesomes since then and every time is a magical experience, but nothing can compare to that first orgy. I remember sucking two guys off at the same time while a girl ate my pussy and licked my asshole. That was the first time I was rimmed, and I couldn't believe how incredible it made me feel. It was a night to remember."

AIRWORK
AIRLINES

"I get horny really easily. If sex is mentioned in a movie or show, that's all it takes for my brain to start churning. I'll usually end up using my vibrator externally until I can't stand it anymore and then I fuck myself silly."

Get a Grip!
"My favorite sexual things are deep penetration and being spanked and choked. If my partner is hot enough, I could probably cum just from a good grip around my neck. I love feeling vulnerable."

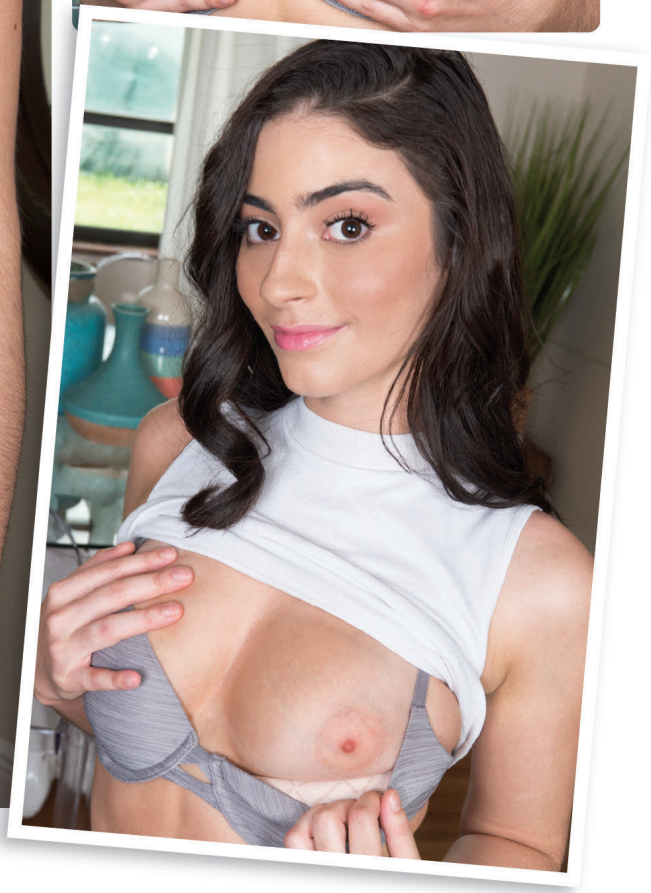
GYPTIAN AIRLINES

Jasmine

Tampa, Florida

Pharmacy technician
Age: 23
Born: August 9
Ht: 5'1"
Wt: 100 pounds

Bras: 32B
Panties: Cheeky thongs
Anal: Fingers only
BJs: Spit
Masturbate: When I'm high



When we asked Jasmine to describe herself, she used words like "shy" and "submissive." When we asked her what her life goals are, she responded, "I want to do humanitarian work." We had to ask; what the hell is a nice, innocent girl doing spreading her pussy for us poon-hounds? "I never said I'm innocent," she replied.

"I lost my virginity to my friend's much-older brother during a sleepover," Jasmine told us. "I was probably too young, but I had a great time. I loved that he was experienced and knew how to eat my pussy before he stuck it in. I hear girls say that the first time is always painful. It doesn't have to be! A little oral sex goes a long way towards making a girl feel comfortable."

Cleared For Landing!
"I tried growing out a full bush, but it was uncomfortable. I didn't like how my panties would puff up over the hair. I'm happy with having the landing strip. I think it looks sexy on me."

"When I'm not working, I love taking my dogs on long walks. I have two pups who are the most important thing in my life. I'm single at the moment, but I'd love to find a boyfriend who loves dogs as much as I do. One time, I was out hiking with my ex, and the dogs were running around off-leash. He and I ended up finding a grassy spot perfect for some afternoon delight. I started off by grabbing his dick and asking if he wanted a blowjob. I sucked his cock for a little while before I pulled my jeans down and got into doggie-style–my favorite position. Right when he was about to bust, some other hiker turned the corner and totally busted us!"

Ariel

Grand Rapids, Michigan

Office assistant
Age: 20
Born: February 8
Ht: 5'4"
Wt: 117 pounds
Bras: 32A
Panties: Victoria's Secret
Anal: Licking
BJs: Swallow
Masturbate: Of course

If Ariel looks nervous, you'll have to forgive her. See, it's her first time on-camera. Not only that, but she's also taking it up the ass in front of a room full of people. We tried to loosen her up a bit by asking her some questions, but she was too anxious to give us much information.

We asked Ariel why she was so scared about taking a dick in her ass. "I'm still new when it comes to anal," she explained. "I tried it for the first time less than a year ago with a guy I was seeing. He wasn't very big, so I figured he'd be the perfect person to experiment with. After the first two or three times, I ended up really enjoying it. I love how kinky it is, and when the guy is all the way in, the stretching sensation is absolutely wild!"

We'll Do It Next Time!
"Getting a facial is hot, but I prefer creampies. When a guy's cock pulses and gets really hard before he shoots, it makes my pussy twitch and drip. Anal creampies are an amazing feeling, too!"

Hannah

Atlanta, Georgia

Student
Age: 18
Born: September 13
Ht: 5'3"
Wt: 100 pounds

Bras: 32A
Panties: Thongs
Anal: I'm warming up to it
BJs: Spit
Masturbate: No

Our talent scout knocked it out of the park with Hannah. She does modeling work for local clothing stores and grocery stores. When we called her to invite her to shoot some adult photos, she jumped at the opportunity.

Check out Hannah's fat pussy lips and tiny, teen tits. She'd be the kind of girl whose heavenly pussy scent would stay in your nose for days. "I'm glad you like my pussy," Hannah said. "I'm a little self-conscious about my lips."

Get Ready For More!

"I told myself I would just do this one photo set and be finished with nude work, but this was so much fun! I think I might start doing some more of it so I don't have to take out huge student loans."

Jaime

Malibu, California

Teacher/Comedian
Age: 48
Born: September 8
Ht: 5'7"
Wt: 120 pounds
Bras: 34B
Panties: Hipsters
Anal: Not in a while
BJs: Swallow
Masturbate: Yes

Jamie's not married and doesn't have kids. She's not a swinger or a nudist. She is, however, a stand-up comedian. She's done bikini modeling, but this is her first time shooting porn. "I'm amped," she told us.

How can you make a hot MILF like Jamie cum? "I'm very in my head. I'm pervy, I'm kinky. So some fingering and a nice, soft, slow touch. But I'm also sort of addicted to my Hitachi. I'm in a long-term relationship with a power tool. So I like stamina. I like hard dick for a long time. That helps a lot. My feeling with oral is unless the guy is really into it, I can skip that. I'm very submissive. I like to suck dick. I like to serve, so I can skip the oral. But then when someone is into it, I'm all about it."

Talk About Experience!
"I've had multiple partners in one day. Meaning I fucked one guy and then later on I fucked another guy. I've also been in a three-way. And one time I pegged a guy as a domme. That was fun."

woman until she cums. That'll get her wet and have the bonus of making it easier for her to cum again during penetration. Plus, saliva is nature's lube. Another solution is to not worry about it. The scientists studying lube only have evidence of problems arising in a laboratory setting using skin cells in test tubes. Other research taking place at Indiana University found that of 2,453 women using lubrication daily for five weeks, there weren't any adverse effects compared to women who went au naturel. They did, however, experience greater sexual pleasure and satisfaction. And that, after all, is the point of fucking, right? We're not trying to scare you away from using your favorite brand of lubrication. We think members of Naughty Nation deserve to know how to keep themselves healthy in the bedroom.

CONFESSIONS

Dear Naughty Neighbors,

I've known Emma for a few years now. She's got a boyfriend, but that doesn't stop us from fooling around. I've always felt about because I like her guy, but not enough to stop fucking her.

Last month, we met up for a late Sunday breakfast at Denny's before I had to head to work to fill out some last minute paperwork that needed to be done by Monday morning. After some pancakes and coffee, we went down to CVS to fill her birth control prescription. As we were waiting, we wandered the aisles. She tried on the stupid novelty shirts, and I modeled some ridiculously oversized sunglasses. We laughed and jokingly put items we would never use in the handcart. She grabbed a douche for me and said with a wink, "Takes one to use one." I grabbed a teddy bear and told her she could give it to her boyfriend. "You're awful," she smirked. I agreed. Then I grabbed a bottle of lube from the next aisle over. "If you wanted to give him something, you'd let him use this and fuck your virgin ass," I said. "You know I'd do it with you before I did it with him," she replied. Just then, the pharmacist paged her over the speaker system. I put the basket full of useless shit down in the middle of the aisle and began to walk with her to the back of the store. She looked over her shoulder and coyly told me, "Don't forget that lube. We could use that after we're finished here."

Weighing the prospect of fucking beautiful Emma in the ass and getting fired from my job for not getting my assignment finished, I suggested we fool around in my empty office. "Will my favorite spot be cleared?" she asked. Emma loves being bent over my desk while I fuck her doggie-style.

When we got to my work, I quickly started blasting out my report. Emma wandered around my office and idly played with the knickknacks on my desk. A few minutes of silence later, I was worried the idleness would make her lose her horniness, so I suggested she help me work faster. "Come and suck my cock," I said. "That'll help keep me focused on the

Yui

Tokyo, Japan

Wt: 100 pounds
Bras: 32A

Anal: Sure!

Masturbate: Only if you watch

Yui is from Tokyo, a city full of bright lights, tall buildings, exotic food and youthful girls who appreciate the art of seduction and teasing. You'll see in this pictorial how she angles her pussy and ass, revealing just enough of her tight, young body to make you want to nut and crave more at the same time. Yui is the ultimate Japanese fuck-doll, and she knows it. "I know what guys want to see," she shared.

One great thing about Japan is how many kinks and sexual deviances they have created. A lot of it seems to be centered around giving the man as much pleasure as possible. Yui thinks that's great. "My first boyfriend turned me on to all sorts of things I didn't think I'd like," she told us. "Now I can almost make myself cum just from giving a blowjob or letting a guy fuck my face."

Hell of a First Date!
"My boyfriend and I like to have threesomes. We've been doing it for almost as long as we've been together. In fact, I slept with him and his friend the very first time we were physical."

"Even though I'm young, I've had a lot of experience," naturally busty Marilyn told us. "I've even done an orgy, gangbang thing once. It was me and another girl and seven guys! The guys were only fucking the other girl and me–no gay stuff there!"

She's Wants it Hard!
"I think every girl's favorite position is doggie-style, but I also really enjoy missionary. When I pull my legs back, the guy can fuck me as deep and hard as he wants. I can rub my clit and cum that way, too."

"There are so many things I want to try in life," Nia told us. "I have always wanted to go SCUBA diving. In the bedroom, I've always wanted to fool around with another girl. I haven't even kissed a girl yet, but I want to."

"I'm really active. I love watching and playing sports. I used to play soccer, and I was really into dance. My favorite sports teams are the Golden State Warriors and the Green Bay Packers. I know that's weird for an Okie girl, but I like those teams! My ex and I used to bet each other sexual favors on NFL games. Even if I lost, I usually won in bed."

Now Taking Applications.
"When I masturbate, I usually watch threesome porn. It doesn't matter if it's two guys or two girls—it all gets me off. I can't wait to find a partner willing to explore these things with me!"

"I'm studying organizational psychology in school. I want to go straight to graduate school and get my master's degree in business management. That way, I'll be able to get an amazing career straight out of school. I was homeschooled as a kid, so I have great study habits. If you want to get with me, you'll have to be able to keep up academically as well as physically. I need a guy who can stimulate my mind as well as he can stimulate my clit!"

"I lost a bet and that's why you're getting to ogle me," said Kaitlin. "See, I'm a huge fan of Leeds United Football (soccer) Club, and my bloke's a life-long Reading fan. The teams are not in the Premier League; they're in the next one down. I reckoned that Leeds would finish higher in the standings than Reading at the end of the season, but Reading got the best of my blokes. I'd promised I'd pose for him if I lost the bet...so here I am. Mind you; I would have done it anyway because I'm a horny slut!"

Drooling Currently...
"I was nervous about letting my guy get between my legs with his camera, but after a few minutes, I just started enjoying myself. I ended up thinking about all you blokes drooling over my cunny."

prize at the end of this assignment." She clapped and smiled, happy to be helpful. "Is there anything else I can do while I'm down there, sir?" she asked in a ditzy accent, pulling her purse from her side. She grabbed her red lipstick and began to apply it as she said, "As your secretary, I'm sure you know that I'm a team player. I'd love to take the lead on this project." Getting into the spirit of the roleplay, I put on my boss voice and told her, "Pay attention to the details." She scooted under my desk and pulled my cock from my trousers. Her lips wrapped around my dick and she began to suck me to full staff. She focused on the head at first, licking and teasing the sensitive underside. When I spurted a bit of precum, her tongue danced against my bellend to slurp up my salty surprise. "Five minutes," I told her, but I don't think she cared that I was still working. She was hard at work, too. Even though she was under my desk and I couldn't see her, I knew that her lipstick was beginning to smear on my shaft as she pressed her head down on my cock. I felt her warm, thick spit dribble down onto my balls. "I'm going to begin my special assignment now, sir." She stood up and pulled off her pants and panties. I slid my fingers into her pussy and felt her dripping wet cunt. She was ready to go, so I roughly grabbed her shoulder and turned her around.

"Ooh!" she exclaimed, surprised. I pushed her forward, and she perked her butt up like a bunny rabbit, wiggling her ass and inviting me in. Sliding two fingers in and out of her sopping wet cunny, I started to massage her little rosebud. I circled and swirled my digits against her, applying a bit more pressure on her butthole every time my fingers bottomed out inside her vagina. "Fuck me, that feels good," she whispered. I slipped my pointer finger into her ass. There was a little pop as it disappeared into her butt. "Fuck!" she cried. "Let's do it now. I'm ready."

I stood behind her and pressed the tip of my dick against her tight, virgin asshole. Her pink star began to

loosen for me as I slowly pushed. "Back onto me," I said. "It'll be easier for you." She forced her little bum onto my shaft and allowed me to enter her virgin territory. A moan erupted from somewhere deep in her soul as I watched my dick disappear. "I'm totally inside of you," I told her. "I know," she responded, sounding drunk or high with lust.

I gave her a moment to regain her composure, and then I asked if she was ready to fuck. She nodded in agreement. I straightened my legs, gripped her thighs and began to pump. Slowly at first, since I wanted to make sure my lubed dick coated the inside of her hole before I started to go too hard. When I felt she was sufficiently prepped, I picked up the pace and began to lay into her. Her legs hit the desk, and the whole damn thing started to move, but I was focused on watching my cock slide in and out of Emma's asshole. The floor creaked below, but it couldn't drown out her guttural moaning and grunting. Her hands instinctively began to crumple the papers on my desk. I didn't care. I pulled my cock out of her ass and watched her gaping butthole begin to close itself. I instructed her to lay on my desk. She climbed up, and I plunged back into her with little warning. She gulped as I stretched her, and her face displayed pure bliss. I rubbed her clit with one hand and spread her pink pussy hole with the other. As I pumped, her mouth got wider. She was going to cum, and I was in the same position. I started to fuck her harder than I have ever fucked anybody (or any hole) in my life. With my final thrust, she screamed, and I emptied my nutsack. She leaned forward and kissed me passionately, my rod still snuggled in her backdoor.

When we finally composed ourselves, we stood in front of my workspace, now wholly ruined and stained by our juices. We chatted about how incredible everything was for a few minutes. I sent Emma back home while I cleaned up my office for the next day. I got a text from her a little while later telling me that even though she took a shower, my cum was still in her ass when her boyfriend fucked her that afternoon. As I said, I feel bad for that guy, but not enough to give up my little butt slut. NN

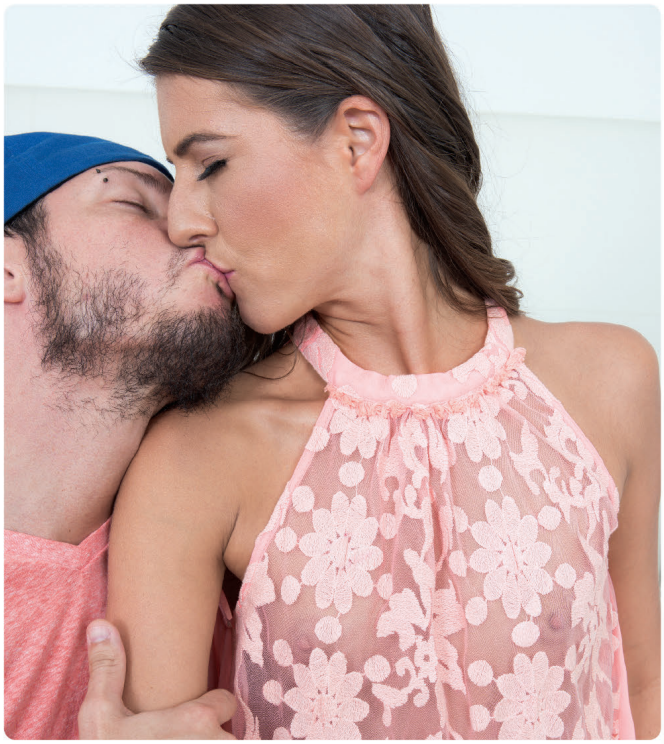
Tara

Sacramento, California

Dancer
Age: 23
Born: March 14
Ht: 5'6"
Wt: 120 pounds
Bras: 32A
Panties: Thongs
Anal: Light licking is okay
BJs: Swallow
Masturbate: Yes!



Why did Tara decide to get off of the strip club stage and into our studio? "I love dick," she told us bluntly. Then she expanded upon that thought. "Seriously, I was taking cute customers back home and screwing them, but most of them are too drunk to stay hard by the time I get off my shift. If I fuck your stud, it's pretty much a guarantee that I'm going to get to cum a few times. Plus, I'll get paid."

"My favorite part of my body is my pussy. I love the way it looks. I remember the first time I saw a porno movie I thought that there was something wrong with the girl because she didn't even have any pussy lips! I found out afterward that every girl is different. I'm not the kind of girl to body shame someone else for something that they can't change, but I count myself blessed that I have a tight, pink fuckhole that guys love to spend hours eating and screwing. I've been complimented on my asshole, too, but I'm not into too much attention down there. If you want to lick me, go ahead, but don't expect me to cum from that. Oh, and don't think that because you licked it, you get to stick it. I've never even put a finger in there."

"I've got to tell you guys, I usually have toys involved when I have sex at home. It's been my experience that even the best fuck in the world could be made better by having a strategically-placed vibrator set on high speed. I have three shoe boxes in my closet at home full of toys that I use by myself and with my partners. I love my toys!"

Not Masking Her Feelings!
"I love a hot, sticky facial. I like swallowing, too, but that feels more emotional than taking it on the face. One is kinky; the other is an act of love. My fuck buddies don't seem to mind nutting on my mug!"
